

Science, Discovery & the Universe

Sophomore Project Monthly Report

So that we may follow the progress of your capstone project, please complete and submit this form once a month (September, October, and November for fall semester; February, March, and April for spring semester). Submission of three reports per semester is a required portion of your capstone project.

Name: _____

Project Title: _____

Mentor: _____

Date: _____

How many hours did you work at your project this month?

On what specific tasks did you work this month?

Provide a brief reflection on your experience over this past month. Did you learn anything new about the subject or yourself?
